HIRE OF SCHOOL FACILITIES

Rationale:

The use of school facilities by the community will encourage greater interest in, and a sense that the school is a part of the community.

Objectives:

1. *To provide a community service.*
2. *To encourage a greater awareness of the school within the community.*
3. *To make efficient use of resources.*
4. *To provide a source of income.*

Guidelines:

1. *The facilities are here firstly for the students and hiring out must be secondary to this need. However, we will endeavour to be flexible during school hours.*
2. *No booking will be confirmed until school use is determined.*
3. *Conditions of hire will be regularly reviewed.*
4. *Realistic fees will be set and reviewed regularly by the Principal.*
5. *All requests to hire the facilities will be made to the Principal's PA, via phone (06 3234029) or email (admin@feildinghigh.school.nz).*
6. *The hirer must sign an agreement accepting the conditions of hire.*
7. *Use of joint facilities will be negotiated between managers.*
8. *The staff room, resource room, swimming pool and workshops will not be hired out.*

Conclusion:

The school is part of the community. Hiring of the facilities allows the community to share in their use and care.
