Harry Peacock
Julia Put
Sian Rowden Poyzer

FAHS Cup and Feilding Rotary Prize for Academic Excellence at Year 11

Gemma Cunningham

Gemma is a very driven and independent learner. She has so far gained 35 Level 1 credits at Excellence this year. She finished the year with 1st placings in Science and Economics and top 3 placings in Japanese and English. She is an inquisitive learner who is always prepared to question and seek feedback to gain a deeper understanding or a new perspective on her work. Gemma is a very cheerful student with a great sense of humour, something that is appreciated by both the staff who teach her and the students in her classes. She carries herself with a quiet confidence but has shown that she has is never afraid to face challenges or adversity head on. Her written work is immaculate and her ability to think outside the box reflect a maturity well-beyond her years. The school's motto Kia Toa, Kia Nga Kaunui is evident in Gemma's commitment to her learning this year — where she has had both courage and a desire to achieve to the highest possible standard in all that she does. She is a thoroughly deserving winner of the top Year 11 prize for 2021.
