# Year 10 Principal's Award

Bridie Beveridge
Jack Hawkins
Kellan Heap
Blake McEwan
Harris Rogers
Emma Woodman

# The Rick T. Francis Memorial Cup for Junior Sportsperson of the Year

Ashlee Hatzen

*Ashlee is a very talented athlete who has produced some exceptional performances as a softball player this year while also contributing to the girls' hockey programme at Feilding High School. Playing as a pitcher her talent was recognised by national junior coaches and she gained selection for the New Zealand U15 Development Sox team before also being selected for the National Junior White Sox U18 team, and the Softball Nationals U19 tournament team. Competing for selection against players from much larger softball associations these are fantastic achievements and a reflection of her determined and committed approach to training and playing. Ashlee has also given back to her local softball association with her involvement mentoring and coaching the Manawatu U13 girls rep team. She is a deserving winner of the Junior Sportsperson of the Year award.*

# The Minnis Family Cup for Academic Excellence in Year 10

Summer McKay

*Summer is an incredibly motivated and determined student. She has produced excellent results this year gaining first placings in both English and Science, and top 10 placings in Mathematics and Social Studies. Her success across diverse curriculum areas shows her ability to be a critical and inquisitive thinker who seeks to gain a deeper understanding of the world around us. She asks insightful questions and seeks feedback to solidify her knowledge. Summer has also shown a desire to contribute outside of the classroom. She has been working towards completing the requirements for Duke of Edinburgh Bronze and has been involved in the school Dance Troupe. She is a well-rounded top academic student. Congratulations Summer on your achievements this year and we wish you every success as you move into NCEA Level 1 studies next year.*

# The Feilding High School Junior Merit Cup

Lucy Cavanagh

*Lucy is a well-rounded student who sets herself high standards in that she does. She is a student who respects her peers and supports other students to be the best that they can be. She has contributed to the local community with her involvement with the Giving Back Committee and in her role as a helper at the Rural Games. She has been working towards completing the requirements for her Bronze Duke of Edinburgh award. She seeks to uphold the school values in all that she does and always looks for opportunities to make a positive contribution both inside and outside of the classroom. Lucy is a talented athlete and has been involved in a number of sports this year including hockey, netball and cricket. She has also been selected in the Junior Manawatu girls cricket representative team and development programme. Lucy is a hard-working academic student who has produced high quality work across all of her subjects. She has gained 14 NCEA Level 1 credits this year at a Merit and Excellence level. She is a fantastic ambassador for the school and a deserving recipient of the Junior Merit Cup. We wish Lucy all the best as she pursues a full Level 1 NCEA programme next year.*
