Kahupounamu Potaka
Meg Scully-Arnott
George Walsh
Kaea Tahi-Martin
Blake Ward-Smith
Summer Gloyn
Zahara Slatter
Jack Langevad

# The Feilding High School Cup for Academic Excellence in Year 9

Rebecca Clark

*Rebecca has been a top performing academic across her core subjects this year. Her results reflect her excellent work ethic and determined approach. She has gained top 3 placings in Social Studies, Mathematics and Science. She was also involved with the Kiwi Mathematics Competition earlier this year. Rebecca is an enthusiastic learner who is always looking to expand her knowledge across all subject areas. She sets herself high standards in all that she does and her work is always well presented. Her success in the classroom can be attributed to her desire to gain a deeper understanding of key concepts and her high level of engagement in her subjects. Rebecca is always considerate of other students and has been a strong advocate and supporter for those in her peer group throughout this year. She balances her academic commitments with her involvement as a competitive swimmer. Rebecca was selected to represent the school and the Manawatu Swimming Championships. Rebecca has made a fantastic start to her time at Feilding High School and we wish her every success with her studies in year 10 next year.*
