Leukaemia and Blood Cancer New Zealand top school aged fundraiser award

Sophie Long

Sophie has been recognised as the top Leukaemia and Blood Cancer school aged fundraiser in New Zealand for 2022. She raised over \$7200 this year during the school's Shave for a Cure event. Sophie was inspired by the cancer journey of so many New Zealanders including her mum. Sophie has shown how one decision to shave her hair can have a significant impact in a local community and beyond. Congratulations Sophie on your fundraising efforts this year.

The Feilding High School Cup for Academic Excellence in Year 9

Drew Bishop

Drew has been a top performing academic student across her core subjects this year. Her results reflect her excellent work ethic and determined approach. She has gained a sixth placing in Mathematics, top 3 placings in English and Science and a first placing in Social Studies. She was also involved with the Mathex Competition earlier this year. Her results across diverse curriculum areas shows her ability to be a critical and inquisitive thinker who seeks to gain a deeper understanding of the world around us. She asks insightful questions and seeks feedback to solidify her knowledge. She displays the school values in all that she does and has made the most of every opportunity available to her this year. Drew is always supportive of her peers and is eager to help anyone in need. She has participated in the extra-curricular life of the school in volleyball and netball, competitive swimming events and is working towards her Bronze Duke of Edinburgh award. Drew is also a talented musician as you will have heard this morning. She has performed this year in the Chamber music competition and the school's music showcase. Congratulations Drew on your fantastic academic achievements in Year 9 this year we wish you every success as you move into Year 10 next year.
