Student Name
Potaka, Kahupounamu
Ratima, Brenna
Searancke, Hinewai
Skinner, George
Stewart, Maia
Thompson, Ruby

FAHS Cup and Feilding Rotary Prize for Academic Excellence at Year 11

Maia Stewart

Maia Stewart is a talented all-round student who has produced excellent academic results across a range of curriculum areas. Maia finishes the year with a first placing in English and Chemistry/Biology/Physics, a 2nd placing in Sport Science and Business Studies, 4th placing in Science and a top 10 placing in Mathematics. She has gained 44 Excellence credits already this year. Her general knowledge about the world and her literary capabilities made her an asset to our Jimmy Carter Quiz team this year. Maia is also an incredibly talented dancer who has represented her dance school at the Battlegrounds World Supremacy Hip Hop Competition in Sydney and our school at the DanceNZmade regionals where her group were crowned champions to qualify for the national competition. Maia also featured as a dancer in the school production earlier in the year. Beyond the dance floor she has competed in cross country as well as being a member of the school,Â Senior A2 netball team and netball umpiring squad. Maia has definitely embraced the school,Â motto of belong, engage and succeed this year with all that she has achieved. Congratulations Maia on all of your success in 2023!
