The Feilding High School Cup for Academic Excellence in Year 9

Kate Procter

Kate is a diligent and incredibly hard-working student. She was one of our Year 9 Student Ambassadors for the School Open Day this year and spoke with real confidence in front of hundreds of people. She has recently completed the requirements for the Bronze Duke of Edinburgh award and is now working towards Silver. Kate approaches her academic work with a real determination to strive for excellence in all that she does. She is inquisitive and seeks clarification when she is uncertain. She has excellent time management skills and a very mature approach to her learning. Kate has a great sense of humour and is a friendly, caring student who is always thoughtful in her interactions with others. She finishes the year with a first equal placing in Mathematics, second placings in English and Science and a seventh placing in Social Studies. These results show her all-round capabilities across a range of curriculum areas. Congratulations Kate on a fantastic first year at Feilding High School.
