Drew Bishop

Drew is an insightful and intuitive student. She is a natural critical thinker who is intellectually curious and always willing to go the extra mile to extend her knowledge and understanding of any given topic. Drew seeks to make meaningful connections between her classroom knowledge and the real world. She has shown an excellent understanding of historical concepts. She is a talented mathematician who handles complex problems with ease. Drew is a fantastic communicator who writes with flair and clarity. She finishes the year with top 6 placings in all six of her subjects with 1st placings in English and History, first equal in Chemistry/Biology/Physics and a third placing in Mathematics. These results, across a diverse range of subjects areas, shows Drew's academic capabilities. Drew has an unassuming nature and is very humble. She is a fantastic role model who upholds the school's values in all that she does. Drew's exceptional work ethic is also evident in her achievements outside the classroom. She is a talented musician who has played in the Manawatu Youth Orchestra this year. As well as working towards her Grade 8 flute exam, she performed at the Regional Chamber Music competition, has been involved with the Arts Committee, was a member of the Senior A1 netball team, a netball umpire and Drew has been working to complete the requirements for Silver Duke of Edinburgh. Congratulations Drew on being the top academic student in Year 11 this year!
